DEEDS CONTINUE TO SHOW ACTIVITY

Lull in Building Permits and
Inspector Haggart Gets
a Rest.

For the first time in a week, there were no building permits issued Thursday, but the activities of the two preceding days warranted a slight rest for the building inspector. It is expected that several will be issued today and tomorrow so that the weekly summary will show a greater total than that of any other week during the past two months.

While real estate dealers do not report any considerable activity in their line at this time, several deeds were filed in the office of the county clerk showing transfers of quite recent date, notably the sale of the old Country club property, near Washington park, which was sold on March 25 to E. J. Peterson for a consideration of \$1150.

Deeds Filed.

VOLUNTEERS TO REMAIN AT HOME

No Money to Send Delegates
to Convention—To Re-
organize Companies.

No delegate will be sent from the El Paso fire department to attend the state convention of the firemen's association for the reason that there is not sufficient money in the treasury to warrant an expenditure for this purpose.

E. E. Kogelmeyer suggested that the volunteers request the city to send the assistant chief to this year's convention, but the suggestion did not meet with favor, so it was dropped.

The Sunset and Valley Hose companies will be requested to reorganize a committee composed of F. C. Earle, of the Sunset company, assistant chief, and E. E. Kogelmeyer, of the Valley Hose company, being appointed Thursday night to induce the members of these two companies to reorganize. If they fail in this, then the department will take the matter up and reorganize the two companies.

There were about 45 members present at the directors' meeting, held at the Central station, when such action was taken Thursday night.
